Junior Web Developer

Motivated and detail-oriented aspiring web developer with a strong foundation in HTML, CSS, JavaScript, and responsive web design. Passionate about building user-friendly, accessible, and visually appealing websites. Proficient in front-end development, with a growing interest in back-end technologies and full-stack development. Eager to apply technical skills, creativity, and problem-solving abilities in a real-world development environment. Seeking an internship opportunity to contribute to innovative web projects, gain hands-on experience, and grow as a professional in the field of web development.
